

very thankful

Alyssa glared at Vanessa. V. has bad criminal record & got her hired. Started making comments such as "you owe me" feels he's a pervert. before hired AG brought sex toy.

AG said: like to have sex w. you

can't recall any gestures. Always would call her into office after 5pm (in telecom) & ask when would do something

cindy said attention is now off her & on V.

Tony has sex w. eyes. could feel Tony looking at her, biting lip

Tony told it was temp. transfer → no notice of it permanent (swore it wouldn't be)

Tony called internal audit of V.'s job → cash drawer off, drawer was over

Tony told her Cindy was trying to set up. → said Cindy went to HR for audit

Feb 5 called V. & asked what doing → he came out for a drink & told her everything.

- transfer to IT
- Cindy set up audit (HR called)
- said won't have a job

cindy told V. that Charlie would verify AG called audit

After Feb 11 changed number. AG asked Cindy for new #, she would give V.'s desk phone.

March 6 → AG called into his office & asked why didn't give # Charlie poked head in, V. left & never came back, AG told Cindy that he was offended V. never came back → told Cindy "I hope she doesn't get offended when I replace her position"  
- Cindy texted Vanessa

didn't hear from AG after changed #.
